Attorney's Docket No.: 07004-002004

mammal with a purified preparation of said polypeptide and collecting said antibody from said non-human mammal.

REMARKS

Applicant thanks the Examiner for the courtesy of the telephone conference on August 18, 2000, regarding U.S. Serial No. 09/058,429 and the above-identified patent application. The substance of the telephone conference is reflected in this preliminary amendment, in which Applicant is requesting that claims 8-10 be considered with pending claims 3 and 5. No new matter has been introduced by this amendment.

Applicant submits that claims 3, 5, and 8-10 are now in condition for examination, which action is requested.

Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: August 30, 2000
